

SUNFLOWER HOUSE

2008 ANNUAL REPORT

Your generous support helps Sunflower House protect children from abuse.

Sunflower House and our partners are dedicated to our mission to protect children in our community from physical and sexual abuse through education, advocacy, forensic and medical services. Support from our community allows us to respond, intervene and prevent children from the life altering trauma of child abuse. The last year has seen many challenges and accomplishments. Below are program highlights for 2009.

CHILD ASSESSMENT PROGRAM:

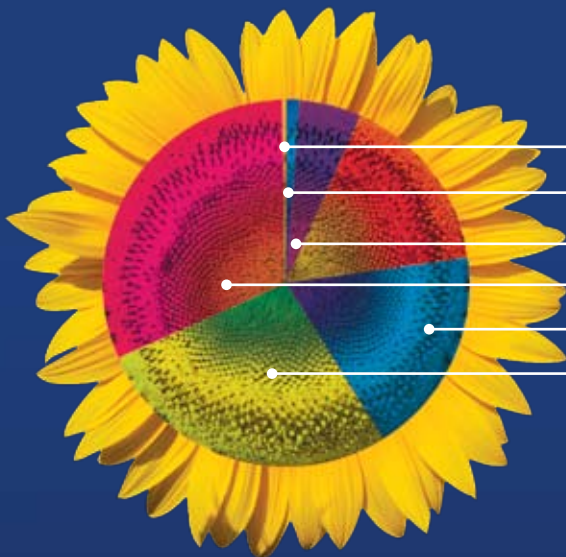

In 2008, Sunflower House conducted 419 forensic interviews and provided 160 on-site specialized medical evaluations as a result of allegations of sexual abuse, physical abuse or concerns that the children witnessed an act of violence. Our Sunflower House Family advocate met with 375 caregivers to provide support and resources to help families and

children on the road to recovery and healing. Sunflower House clients were divided between Johnson (58%) and Wyandotte (40%) Counties. Of the children we saw in 2008, 74% were female and 26% were male. 39% were between 0-6 years, 33% were between 7-12 years and 28% were between 13-18 years old. The children that visited Sunflower House represented a wide range of ethnicities: 57% Caucasian—15% African-American—13% Latino—11% Multiracial—4% Other or unidentified.

Our Sunflower House Education Program is a vital resource in our community in preventing child abuse. Last year, Happy Bear celebrated his 25th Birthday of teaching children how to recognize, resist and report abuse. This year has seen great changes in our education program with our parent meetings and training registration provided on-line via our website.

Our education staff visited over 200 schools in Johnson and Wyandotte County to provide prevention education. Sunflower House reached over 25,000 children, parents and professionals during the last year to provide the tools necessary to respond to child abuse. Our "PS Happy Bear" in Spanish got off to a great start reaching almost 700 Spanish-speaking students and parents.

"Sunflower House was a place of comfort for my children to tell what happened to them. Thank you."
