42nd Annual Sunflower House Valentine Gala

## What if every child was safe from physical and sexual abuse?

### About Sunflower House

**1 in 10 children are sexually abused before their 18th birthday. More than 90% of children know, love, and trust the person who abused them.**

We believe no child should ever know the pain of physical and sexual abuse. Every child deserves a childhood where they are safe and protected.

Sunflower House provides a safe place for children who have been physically and sexually abused. We provide specialized services for child victims and family advocacy for their parents and caregivers.

Children and families can access mental health services from PACES and start healing from the trauma of abuse. We teach children and adults how to recognize and respond to child abuse.

Sunflower House is committed to ensuring our services are always available for every child, family, school, or youth group who needs us.

Funds raised at the **Valentine Gala** ensure **NO child or family is ever turned away** when they need Sunflower House.

### la fête de Saint-Valentin

Join Sunflower House as a sponsor for a **très chic** French-inspired party to celebrate Valentine's Day!

Enjoy a **magnifique** cocktail reception, live entertainment, dinner, silent and live auctions, and an **Après La Fête** (After Party).

Our Annual Valentine Gala is our most important fundraiser of the year - providing financial support to continue to protect children from abuse.

More than 400 child advocates and community leaders will gather for **une soirée inspirante** to keep children safe from abuse.

### Our Mission

To protect children in our community from physical and sexual abuse through education, advocacy, forensic, medical, and mental health services.
