INDEPENDENT AUDITORS' REPORT

Board of Directors
Sunflower House, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Sunflower House, Inc. (a nonprofit organization) (the Organization), which comprise the statements of financial position as of June 30, 2024 and 2023 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sunflower House, Inc. as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sunflower House, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunflower House, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

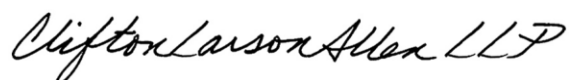

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sunflower House, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunflower House, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

SUNFLOWER HOUSE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Sunflower House, Inc. (the Organization) was formed to help prevent child physical and sexual abuse in Johnson County and Wyandotte County, Kansas. Its current programs include:

Education: Staff and volunteers provide community education and outreach programs to schools, service organizations, parent groups, religious organizations, and professional associations. This education includes child personal safety training, training on how to recognize and report child abuse, training on the practices of child-friendly investigation of abuse allegations for professionals in law enforcement, child protection, medical, mental health, and prosecution.

Child Assessment: Staff work with professionals in law enforcement, child protection, medical, mental health, and prosecution to enhance the investigation of abuse allegations in a neutral child-friendly setting. These services include child-friendly investigative interviews, family advocacy and support, child and family therapy, and information and referral.

Community Relations: Staff provide public relations, community outreach, and networking to the general public to promote understanding of the services provided by the Organization. These costs are not included in the above programs as they do not relate directly to education or child assessment.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents

Cash equivalents for purposes of the statements of cash flows consists of cash on hand, cash in bank accounts, and money market accounts.

Income Taxes

No provision for income taxes is included in the statement of activities since the Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

The Organization accounts for income taxes in accordance with FASB ASC 740, *Accounting for Income Taxes*, which provides guidance on how to measure and account for various tax positions. The Organization has determined that no material unrecognized tax benefits or liabilities exist as of June 30, 2024 and 2023 for the Organization. If applicable, the Organization will recognize interest and penalties related to the underpayment of income taxes in the period incurred. The Organization is not at the present time under examination by any taxing authority.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fixed Assets

The Organization capitalizes assets costing greater than \$3,500 with a useful life of more than one year. Fixed assets are carried at cost, if purchased, and fair value as of the contribution date if contributed. Depreciation is provided for using the straight-line method over the estimated useful lives of the respective assets, which is generally 5 to 7 years for office equipment; 15 to 39 years for building and land improvements; and three years for website development. Maintenance and repairs are charged to expenses as incurred; major renewals and betterments are capitalized. When fixed assets are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in revenue or expenses. Depreciation expense for the years ended June 30, 2024 and 2023 is \$97,701 and \$113,298, respectively.

Contributed Services and Goods

Various individuals and organizations have made significant contributions of their time and products for the benefit of Sunflower House, Inc. The Organization records contributed services and goods as revenue and assets or expenses if the services or goods create or enhance a nonfinancial asset or when the contributions are goods and services that would typically need to be purchased by the Organization if such goods and services had not been contributed. The Organization receives items to be sold at its annual auction. Contributed auction items are valued at the gross selling price received. The Organization receives contributed legal services that are reported using current rates for similar legal services.

Contributed products and services recognized as revenue during the years ended June 30, 2024 and 2023 were:

	2024	2023
Auction Items for Valentine Gala	\$ 13,133	\$ 30,023
Legal Services	2,520	1,440
Total	\$ 15,653	\$ 31,463

Expense Allocation

Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. Management and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Pledges Receivable

Pledges receivable are generally due within one year and are stated at the pledged amount. The carrying amount of pledges receivable is reduced by the amount of a discount related to those pledges that are to be collected over a period longer than one year.

SUNFLOWER HOUSE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Pledges Receivable (Continued)

The Organization carries its pledges receivable net of an allowance for doubtful accounts. On a periodic basis, the Organization evaluates its pledges receivable and establishes an allowance for doubtful accounts, based on history of past write-offs and collections. The Organization had an allowance for doubtful accounts of \$-0- for each of the years ended June 30, 2024 and 2023. Pledges receivable have various due dates, generally over 1 to 3 years, depending on the nature of the pledge. Pledges that are past due are considered delinquent and are written off as uncollectible at the time management determines that collection is unlikely.

Accounts Receivable

The Organization carries its accounts receivable net of an allowance for credit losses. On a periodic basis, the Organization evaluates its accounts receivable and establishes an allowance for credit losses, based on a review of outstanding receivables, historic collection information, existing economic conditions, and management's assessment of collectability. At June 30, 2024 and 2023, the Organization determined that no allowance for credit losses was necessary for accounts receivable. Accounts receivable are generally due within 90 days. Accounts receivable that are past due are considered delinquent and are written off as uncollectible at the time management determines that collection is unlikely.

Grants Receivable

The Organization receives various grants receivable from private and public agencies and carries these net of an allowance for doubtful accounts. The allowance for doubtful accounts is evaluated periodically based on history of past write-offs and collections. At June 30, 2024 and 2023, the Organization determined that no allowance for doubtful accounts was necessary for grants receivable.

Revenue Recognition

A portion of the Organization's revenue is derived from cost-reimbursable grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts are recognized as revenue when the Organization has incurred expenditures in compliance with specific grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advance in the statement of financial position. The Organization received cost-reimbursable grants of \$959,083 and \$572,688 that have not been recognized at June 30, 2024 and 2023, respectively, because qualifying expenditures have not yet been incurred.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

The Organization determines if an arrangement is a lease at inception. Operating leases are included in right-of-use assets – operating and lease liability – operating, and finance leases are included in right-of-use assets – financing and lease liability – financing in the statements of financial position.

Right-of-use assets represent the Organization’s right to use an underlying asset for the lease term and lease liabilities represent the Organization’s obligation to make lease payments arising from the lease. Right-of-use assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right-of-use assets on the statements of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Organization has elected to use a risk-free discount rate determined using a period comparable with that of the lease term or computing the present value of lease liabilities.

The Organization has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and nonlease component as a single lease component.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

Net Assets With Donor Restrictions – Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as Net Assets Released from Restrictions. Contributions whose restrictions are met in the same period may be shown as contributions without donor restrictions.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Adoption of New Accounting Standard

On January 1, 2023, the Organization adopted Accounting Standards Update (ASU) 2016-03, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended (ASC 326), which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss methodology (CECL).

The Organization adopted the standard using the modified retrospective method. Results for annual periods beginning after January 1, 2023 are presented under the new CECL model while prior reporting periods continue to be reported in accordance with previously applicable GAAP. The adoption of this Standard did not have a material impact on the Organization's financial statements but did change how the allowance for credit losses is determined.

NOTE 2 LEASES

The Organization entered into a finance lease for office equipment during the year ended June 30, 2024 valued at approximately \$46,000. The lease expires in 2029. The following table provides quantitative information concerning the Organization's lease.

NOTE 5 BENEFICIAL INTEREST IN NET ASSETS HELD BY COMMUNITY FOUNDATION

The Organization signed an agreement with the Greater Kansas City Community Foundation (the Foundation) to establish the Sunflower House Foundation Fund (the Fund), whereby the Organization originally transferred funds in the amount of \$64,038 to the Foundation.

During 2006, the Organization amended its Sunflower House Foundation Fund Establishment Document. The intent of the agreement is that the income and principal of the fund be without donor restrictions as to its use and be distributed to the Organization upon receipt of the written recommendation of not less than two board officers. However, the agreement states that the Foundation reserves the right to make the final decisions regarding distributions from the Fund.

At June 30, 2024 and 2023, the Organization's beneficial interest in net assets held by the Foundation totaled \$105,662 and \$93,943, respectively.

NOTE 6 PENSION PLAN

The Organization sponsors a defined contribution plan, with a 401(k) feature, covering all employees who have completed one year of service and have reached the age of 21. Matching contributions to the plan are discretionary. The Organization made \$18,764 worth of contributions in 2024 and \$16,353 for 2023.

NOTE 7 CONCENTRATIONS

Approximately 37% and 64% of the Organization's support was derived from two and three granting agencies during the years ended June 30, 2024 and 2023, respectively.

At June 30, 2024, approximately 86% of the Organization's grant receivables are due from three grants. Approximately 68% of the Organization's receivables at June 30, 2023 were due from three grants.

NOTE 8 LINE OF CREDIT

The Organization has a revolving promissory note agreement with Country Club Bank (the Bank) for advances up to \$200,000 which matures on January 15, 2025. Under the agreement, interest accrues on the unpaid balance of the note at the prime rate, but not less than 5%.

The line of credit is secured by all property of the Organization. The Organization is required to submit internally compiled quarterly financial statements while there is an outstanding borrowing under this line. The annual audit is due to the bank within 30 days of receipt and approval of the Board of Directors. At June 30, 2024 and 2023, the Organization has no balance outstanding on this line of credit.

NOTE 9 INVESTMENTS

Investments are carried at fair value, and realized and unrealized gains and losses are reflected in the statements of activities. The finance committee of the Organization, following board policy, is responsible for ensuring the investments are appropriately diversified. The finance committee also determines the investments to be set aside as board restricted, or board-designated operating reserves, and approves all transfers from these investments to other funds to support the Organization.

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of financial position.

Investments at June 30, 2024 and 2023 are comprised of the following at fair value:

	2024	2023
Mutual Funds	\$ 662,056	\$ 582,123
Preferred Stocks	-	-
Fixed Income	434,116	394,525
Total	<u>\$ 1,096,172</u>	<u>\$ 976,648</u>

Investment returns consist of the following for the years ended June 30, 2024 and 2023:

NOTE 10 FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Quoted prices (unadjusted) in active markets that are accessible at the measurement date.

Level 2 – Directly or indirectly observable inputs as of the reporting date through correlation with market data, including quoted prices for similar assets and liabilities in active markets and quoted prices in markets that are not active. Level 2 also includes assets and liabilities that are valued using models or other pricing methodologies that do not require significant judgment since the input assumptions used in the models, such as interest rates and volatility factors, are corroborated by readily observable data from actively quoted markets for substantially the full term of the financial instrument.

Level 3 – Unobservable inputs that are supported by little or no market activity and reflect the use of significant management judgment.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used needed to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Beneficial Interest in Assets Held by Community Foundation: Valued at contract value, which approximates fair value. Contract value represents contributions made under the contract, plus investment income and appreciation (depreciation), less withdrawals and administrative expenses.

Investment Securities: Publicly traded stocks, and mutual funds are valued at unadjusted, quoted market prices in active markets at June 30, 2024 and 2023.

NOTE 11 LIQUIDITY AND AVAILABILITY

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents, equity securities, and a line of credit.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing activities as well as the conduct of services undertaken to support those activities to be general expenditures.

In addition to financial assets available to meet general expenditures over the next 12 months, the Organization operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources. Refer to the statements of cash flows which identify the sources and uses of the Organization's cash and the amount of cash generated or used by operations for the years ended June 30, 2024 and 2023.
